About SMB Horse Sales Inc.

SMB Horse Sales, Inc. was established January 1, 2016 after more than a year of planning. Marcus and Sarah Blood originally came up with the idea after searching for a good horse for one of their five children and realizing honest and reliable sources were limited. After looking at multiple horses from online ads all over Utah, they realized how frustrated buyers could get looking for a good sound horse that lived up to the ad. This idea was reinforced when they decided to sell a well bred mare and were not able to get a spot in any of the existing consignment sales around Utah, as they were booked more than 6 months in advance or were invitation only. After realizing a significant need for consignment horse sales in the Utah area, Marcus and Sarah started the process of establishing SMB Horse Sales, Inc. to offer consignment horse sales in Utah and the surrounding areas.

Marcus and Sarah have both had a passion for horses since childhood. They both grew up spending as much time as possible around horses, and have shared that passion with their 5 children. The goal of SMB Horse Sales is to bring sellers and buyers together in a mutually beneficial, environment; where sellers can showcase their horses to multiple buyers and buyers can view multiple horses at one location. SMB Horse Sales, Inc. is licensed through the USDA (Registration # 22936) and we are bonded and insured. We are committed to ensuring all transactions are compliant with all regulations. Marcus and Sarah welcome feedback that will help offer better sale experiences for both buyers and sellers!

Marcus studied Animal Science at Southern Utah University, and Sarah has a MBA and BS in both Economics and Accounting from Utah State. Together we have decades of experience working with, training, and using horses in a variety of disciplines.

Our Goal

To provide a venue where sellers can showcase their horses to multiple buyers and buyers can view multiple horses, in a setting where both seller and buyer are assured honest and ethical transactions.

BLONDES STEEL (aka Snowflake): 15 Hand 2005 AQHA Mare: Snowflake is a solid built brood mare with all black feet, straight legs, pretty head, and a solid hip. She has not been started under saddle to our knowledge. We have had her as part of our broodmare herd for about 3 years but are cutting back our numbers this year as we just don't have the time to keep up. The colt pictured is this years foal (not included in the sale). Due to timing we did not get her bred back this year so she sells open but we will offer a discounted breed to our stallion to the buyer. She was registered palomino but grayed over the years - so she has the genes to through color!! Her sire and dam both go back to old time foundation lines. She is completely sound, has correct confirmation, good ground manners, and is a great mother!

GIMMEWHIPLASH: 15'2 Hand 2006 AQHA Mare: This mare has been there done that. For the first few years she raced on the chariot track, she made it to the worlds a few times. She has been started in the roping world on the heading side. I have also roped calves on her in the branding pen. She is started on pole bending and barrels. The past two years she has been the horse I ran barrels on in college rodeos, she has placed in the top 20 many of times. She has the pattern down, just needs to be hauled and get confidence in herself. We have packed deer and elk out on her during the hunts. She is a fun mare, and is willing to do whatever you throw at her.

Chief: 15 Hand 2011 Grade Gelding: Chief is a thick made 7 yr old grey gelding that stands 15 hands and weighs 1200 lbs. Super well made with a big hip. Lots of bone. And a big round foot. There isn't anything I wouldn't or haven't done on this horse. Rope and doctor. Sort. Pair out or bull bulls. Chief is plum usable. Has never bucked or been silly. Has a big walk. Really soft. Has a big stop with some run. This son of a gun will eat a cow too. Really a cool gelding. Call 308 250 0812 for more info

Consigned By: Wade Davis - Ballard UT

RANGER
GRADE

Ranger: 15 Hand 2010 Grade Gelding: Ranger has been used mainly as a ranch horse. We have done a little outside roping on him. He is a unique color with great confirmation. He is very fun to ride and is good to shoe and haul. He side passes and neck reigns. Ranger is better suited for a trail or pleasure horse. He has some scarring on his tendon above his ankle. He has been examined by Dr. John Murphy at Countryside Vet Clinic in Vernal Utah. The vet said hard days could make him sore but his injury will not worsen. Horses this pretty do not come along very often! Come give him a ride before the sale. Mickey Mouse: 13'2 Hand 2005 Grade Gelding: BOMBPROOF!! BOMBPROOF!! Mickey Mouse is the gentlest safest animal we have ever ridden. I bought Mickey two years ago, and prior to my purchase he was used at a camp for special needs children. He has since taught my 6 yr. old son to ride and is ready to move on and teach other children. Mickey is an extremely friendly quarter pony that can be caught anywhere. My six-year-old can walk out into the pasture and catch him by himself. I can't say enough good things about this little horse. He is 13 yes old and 13'2 hands tall. Bug enough that adults can ride him. Completely sound and healthy. For questions call Matt at 208-550-1571 **VIDEO** <https://www.youtube.com/watch?v=JaSXAQJg-xA>

His sire is bred to work cows, but has turned into a really nice barrel horse, that can also win at halter reining trail or anything else you want to do. This nice colt should mature over 15 hands and should be stout enough to get any job done. This colt can really run and he is very athletic - great barrel prospect, and I think he would make a dandy rope horse as well! **VIDEO** is of the Sire of this Gelding.

CLARABELL
GRADE

Clarabell: 16 Hand 2012 Grade Mare: Clarabell is a 16 hand 6-year-old grade mare. There's not much that this mare hasn't done. From being ranched on, to ridding in the arena this mare is awesome! She's the perfect trail horse, you can drop the reins and she'll just walk right along. She rides out by herself or ride her in a group and she's fantastic. This mare is quick on her feet and has been started on the barrel pattern, she has placed in the 3D at local jackpots with tons of room for improvement. I've done ridding club on her the past two years and she held her own in many events. Clarabell is super fun to use around cows, winning some money team sorting. She's just right where you want her when you need her. She's easy to catch, shoe, and trailer. Works off leg pressure, knows her leads, will do flying lead changes, has a big stop on her, and is starting to spin. This mare can sit for months and is the same horse as she was the last time you rode her. Clarabell would make the perfect kids horse, with how calm and reliable she is. If it wasn't for me moving to school she wouldn't be leaving. If you have any questions, please feel free to call Jesse 435-893-1801

DOCS NUTTER BUTTER (aka Jackie): 15'3 Hand 2005 AQHA Mare: We have had Jackie in our brood mare herd for about 3 years but are cutting back our numbers as we just do not have the time. Jackie comes from a proven pedigree of cow and rope horses including TWO ID BARTENDER, TWO EYED JACK, and ZAN PARR SUN on her papers. She is bay roan with potential to through some of the hottest color in demand combined with some of the great cow horse and roping bloodlines. When we got Jackie she had been pasture bred and not handled much but has quickly come to love attention and has good ground manners. She is a great mother - the filly pictured on the website is this year's foal (not included in the sale) and you can see she passes on her solid hip and build! Due to timing this year, we did not get her bred back and she sells open, but we will offer a discounted breed to our stallion to the buyer. She mixes well with our other mares and horses including the other mares foals. She has become part of the family here and we will be sorry to see her go, but just need to cut back our numbers. She is sound and ready for a new home. To our knowledge she was never started under saddle. For questions contact Marcus @ 801-520-6847.
